Cllr Morris asked if Mr R Brickell would like add any further comments to his letter. Mr Brickell explained that he had used the UK census website which is in the public domain, to compile the data used in his letter, it provided evidence that the residents of Swanley have reliance on using cars unlike the general suggestion that new residents to Swanley would prefer to walk or cycle to their place of work. Cllr Morris thanked Mr Brickell for his letter and proposed that the letter be used as part of the Neighbourhood Plan. He went on to ask the CEO to formally thank Mr Brickell by letter
