

PATIENT & FAMILIES VOICE

# YOUR HOSPICE, YOUR SAY

Families are at the heart of everything that we do – **ellenor** is the only hospice in Kent providing care and support for people of all ages.

**We need you!** Your experience of **ellenor** as a patient, a family member, a carer or a parent of a child is very important to us. That's why we are setting up a new patient and families voice forum. The purpose of this group is to enable mutual engagement with the local communities that we serve, so that can share information, views and perspectives. Our aim is to improve our care, and make service improvements and developments. By working in partnership with you, we can learn from your experiences, ideas and feedback.

**Our first meeting will be Saturday 9 February 10am – 12pm at ellenor Gravesend, Coldharbour Road, DA11 7HQ. There is no need to pre-book.**
