- Cllr Southern commented that the Civic Centre balance sheet is showing a reduction in the expenditure by £55,000 without removing or reducing any existing services which is impressive.
- Cllr Southern noted that the Alexandra Suite had generated a surplus of £72,000 in 17/18. However, it was showing £94,000 surplus on the current year to date. He went on to say that the turnover for this current year was slightly higher than the previous year but expenditure had been reduced significantly in critical areas.
- Cllr Southern noted that Swanley Park's income was currently at £58,000 and expenditure was £4,000 which equates to £54,000 surplus which is an excellent result.
- The CEO reported that the Park's half term income (3 days) had already exceeded last year's income for the whole of February.
- Cllr Southern commented that the creditors were at an all-time low at just over £10,000 and this should be applauded.
